BGMC Donation Instructions

To give electronically

This is often the fastest and easiest way to give. Our online transactions are secure and private. Simply go to https://giving.ag.org/donate. This platform accepts VISA, MasterCard, Discover, AMEX, eCheck, and PayPal. You will need to log-in (if your church already has an account) or create a new account by clicking Create an Account.

To give to BGMC's Critical Needs Fund, type 007001 in the "Your Gift" search box, then click on the blue box that pops up:

BGMC OFFERING/CRITICAL NEED

To **designate** an offering toward a special project:

1. Contact Denise at dsmith@ag.org. She will provide you with the project number.
2. Type the project number in the "Your Gift" search box.
3. Select the blue box that pops up.

Near the bottom of the page, you will have the option to make your gift recurring, should you wish to do so. If you are an individual donor, be sure to click the box by "I would like my church to receive credit for this contribution." You will then be prompted to provide your church's name.

To give by check

Write your check out to BGMC. For general contributions, write 007-001 on the memo line. These donations will go to the BGMC Critical Needs fund. Mail your check to: BGMC, 1445 N. Boonville Ave., Springfield, MO 65802.

If you wish to **designate** your offering to a specific BGMC project, contact Denise at dsmith@ag.org. She will provide you with the appropriate Designated Offering Form or project number to be used with your offering. Be sure to write the project number on the memo line of your check.

Cash

Please do not send cash! Your cash offering could get lost in the mail system and never reach us.

Receipts

You will receive a giving receipt for each donation. You may also choose to receive just one receipt a year. Your gift will also be listed on your church's monthly credit card statement.
